American Camp Association (ACA Certified)

All LOMO camps are accredited by the American Camp Association.

ACA sets the industry standards for safely delivering quality camp programs.

All staff members complete a thorough application, screening and training process which includes a background and fingerprint check.

LOMO is the outdoor ministry on behalf of the three Ohio Synods of the Evangelical Lutheran Church in America. We serve all to make Christ's love known! All are welcome, regardless of church membership.

Adult Leaders & Chaperones

Active participation from youth and adults helps the retreat become more meaningful to all involved. We also appreciate when adult chaperones take pictures and videos which can be shared. Please make sure all youth from your congregation are fully registered two weeks before the retreat. All youth and adults need to complete an *Individual Retreat Registration Form* in order to attend. Adults attending also need to supply health forms for every person attending the retreat or utilize our health form. Adult Leaders & Chaperones are responsible for distributing medication, first aid treatment and supervision during the retreat.

Student Leaders

LOMO affirms the need to develop leadership skills within congregations. We invite your group to bring youth who are 16 or 17 years of age to be student leaders during your retreat. Student Leaders are people who you feel possess leadership qualities and will handle themselves in a way that younger campers will want to emulate (i.e. mature, responsible, fun, safe, etc.). Student leaders still in high school pay the regular registration fee for the retreat they are attending. We hope you will consider bringing Student Leaders with your group as a way to strengthen relationships and ministry across the generations of your congregation.

Confirmation Retreats 2018 Theme: Discipleship Redefined

Enhance your congregation's confirmation experience by stepping out of the church and into the woods. During the weekend you will explore the theme "Discipleship Redefined" with hands on Bible study activities that will engage your group. Grow closer together during a hike through the woods, sitting around a campfire and learning about God in worship and devotion. Retreat participants will sleep in heated cabins or in a lodge. Retreats are programmed by camp staff and give adult leaders the opportunity to connect with their congregation outside of the church. During the retreat each congregation will have time alone for Bible studies, games, or other unique activities. Student Leaders are encouraged to attend and help lead and engage the younger students. Please provide 1 adult chaperone, per gender, for every 1-10 youth participants.
