Summer 2026 Columbus OHIO Experience

**Encourage Your Congregation's Married
Husbands & Wives to Register!**

**Every married husband & wife deserves
a Marriage Encounter experience!**

**By encouraging your congregation's married husbands and
wives to attend, you'll help them receive these blessings:**

- 1. Recognize God's desire for their marriage,**
- 2. Re-energize the joy in their relationship,**
- 3. Renew and build NEW communication skills, and**
- 4. Re-engage as a couple with God, the church, and their
families.**

**If, like many churches, your church has programs for kids, youth,
seniors, and divorceés – but not for the important goal of
strengthening the relationships of married husbands and wives –
you can take decisive steps now toward filling this ministry gap.**
